Welcome Message

Namaste !

It is our great privilege to welcome you to FOGSI North Zonal conference with Yuva 2026, a premier gathering dedicated to advancing women's health, maternal care, and innovations in Obstetrics & Gynaecology. This conference will serve as a vibrant platform for clinicians, researchers, educators, and students to exchange knowledge, share experiences, present innovations, foster meaningful connections among peers, and strengthen collaborations that will shape the future of care.

We're stepping away from the traditional "lecture-only" format to bring you a dynamic experience focused on the real-world challenges faced by modern OB-GYNs. Over the course of three days, you will have the opportunity to:

- Engage in stimulating scientific sessions and workshops led by distinguished faculty.
- Participate in networking opportunities that encourage collaboration, mentorship, and the exchange of ideas.
- Explore exhibitions and interactive forums showcasing the latest advancements in women's healthcare.

Together, we aim to strengthen evidence-based practice, highlight emerging technologies, and reaffirm our collective commitment to improving the quality of care for women across all stages of life.

Beyond the academic program, we invite you to experience the vibrant culture and warm hospitality of Jammu, the "City of Temples." From its historic shrines and scenic landscapes to its rich traditions and cuisine, Jammu offers a memorable backdrop for professional and personal enrichment.

We are delighted to have you join us and look forward to creating together an atmosphere of learning, camaraderie, and discovery. May this conference be both intellectually rewarding and personally inspiring.

Warm regards,

JAMMU
